

STATE OF CALIFORNIA
STATE WATER RESOURCES CONTROL BOARD
DIVISION OF WATER RIGHTS

ORDER

APPLICATION 12061

PERMIT 7045

LICENSE 3689

ORDER ALLOWING CORRECTION IN PURPOSE OF USE,
PLACE OF USE, SEASON AND AMOUNT OF DIVERSION

WHEREAS:

1. License 3689 was issued to Clark and Ora R. Gobel and was filed with the County Recorder of Colusa County on March 10, 1953.
2. License 3689 was subsequently assigned to Lorin N. and Leah Rae Gobel.
3. A request for correction in purpose of use, place of use, season and amount of diversion has been filed with the State Water Resources Control Board and said Board has determined that good cause for such correction has been shown.
4. The Board has determined that the petitioned corrections do not constitute the initiation of a new right nor operate to the injury of any other lawful user of water.

NOW, THEREFORE, IT IS ORDERED THAT:

1. The purpose of use under this license shall be for:

Stockwatering

2. The place of use under this license shall be:

At the reservoir, being within the SE $\frac{1}{4}$ of NE $\frac{1}{4}$ of Section 5, T15N, R4W, MDB&M.

3. The season of diversion shall be:

November 1 to March 31.

4. The amount of the diversion shall be:

5 acre-feet per annum to onstream storage.

Notice of Change (Over)

License for Diversion and Use of Water

APPLICATION 12061

PERMIT 7045

LICENSE 3689

THIS IS TO CERTIFY, That Clark Gobel and Ora R. Gobel
Williams, California

have made proof as of July 7, 1952
(the date of inspection) to the satisfaction of the State Engineer of California of a right to the use of the water of
an unnamed creek in Colusa County

tributary to Glenn Creek

for the purpose of irrigation and stock-watering uses
under Permit 7045 of the Department of Public Works and that said right to the use of said water has
been perfected in accordance with the laws of California, the Rules and Regulations of the Department of Public Works
and the terms of the said permit; that the priority of the right herein confirmed dates from August 29, 1947;
and that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited
to the amount actually beneficially used for said purposes and shall not exceed six hundredths (0.06) cubic
foot per second by direct diversion to be diverted from about April 15 to about
September 15 of each year, and five (5) acre-feet per annum by storage to be
collected from about November 1 of each year to about March 31 of the succeeding
year.

The equivalent of such continuous flow allowance for any thirty day period
may be diverted in a shorter time if there be no interference with other vested
rights.

The point of diversion of such water is located north six hundred thirty (630) feet
and west five hundred sixty (560) feet from E $\frac{1}{2}$ corner of Section 5, T 15 N, R 4 W,
MDB&M, being within SE $\frac{1}{4}$ of NE $\frac{1}{4}$ of said Section 5.

A description of the lands or the place where such water is put to beneficial use is as follows: stock-watering
use and irrigation of:
1.5 acres within SE $\frac{1}{4}$ of NE $\frac{1}{4}$ of Section 5, T 15 N, R 4 W, MDB&M.
3.5 acres within NW $\frac{1}{4}$ of SW $\frac{1}{4}$ of Section 4, T 15 N, R 4 W, MDB&M.
5.0 acres total

All rights and privileges under this license including method of diversion, method of use and quantity of water
diverted are subject to the continuing authority of the Department acting through the State Engineer in accordance
with law and in the interest of the public welfare to prevent waste, unreasonable use, unreasonable method of use or
unreasonable method of diversion of said water.

Reports shall be filed promptly by licensee on appropriate forms which will be provided for the purpose from
time to time by the State Engineer.

The right hereby confirmed to the diversion and use of water is restricted to the point or points of diversion
herein specified and to the lands or place of use herein described.

This license is granted and licensee accepts all rights herein confirmed subject to the following provisions of the Water Code:

Section 1625. Each license shall be in such form and contain such terms as may be prescribed by the Department.

Section 1626. All licenses shall be under the terms and conditions of this division (of the Water Code).

Section 1627. A license shall be effective for such time as the water actually appropriated under it is used for a useful and beneficial purpose in conformity with this division (of the Water Code) but no longer.

Section 1628. Every license shall include the enumeration of conditions therein which in substance shall include all of the provisions of this article and the statement that any appropriator of water to whom a license is issued takes the license subject to the conditions therein expressed.

Section 1629. Every licensee, if he accepts a license does so under the conditions precedent that no value whatsoever in excess of the actual amount paid to the State therefor shall at any time be assigned to or claimed for any license granted or issued under the provisions of this division (of the Water Code), or for any rights granted or acquired under the provisions of this division (of the Water Code), in respect to the regulation by any competent public authority of the services or the price of the services to be rendered by any licensee or by the holder of any rights granted or acquired under the provisions of this division (of the Water Code) or in respect to any valuation for purposes of sale to or purchase, whether through condemnation proceedings or otherwise, by the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State, of the rights and property of any licensee, or the possessor of any rights granted, issued, or acquired under the provisions of this division (of the Water Code).

Section 1630. At any time after the expiration of twenty years after the granting of a license, the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State shall have the right to purchase the works and property occupied and used under the license and the works built or constructed for the enjoyment of the rights granted under the license.

Section 1631. In the event that the State, or any city, city and county, municipal water district, irrigation district, lighting district, or political subdivision of the State so desiring to purchase and the owner of the works and property can not agree upon the purchase price, the price shall be determined in such manner as is now or may hereafter be provided by law for determining the value of property taken in eminent domain proceedings.
